Rate Information

If your daily balance is between the figures shown in (See Column A - Line 1, 2, 3, 4 or 5), the Dividend Rate paid on the entire balance in your account for each day will be as disclosed in Column B with an Annual Percentage Yield as disclosed in Column C.

The Dividend Rate and Annual Percentage Yield set forth above are as of the last dividend declaration date.

Dividend Rate Changes

Your dividend rate and annual percentage yield may change.

At our discretion, we may change the dividend rate on your account at any time.

Accrual of Dividends on Non-Cash Items

Accrual of dividends on non-cash items (for example, checks) you deposit will begin on the business day you deposit such non-cash items.

Dividend Compounding and Crediting

Dividends are compounded daily and credited monthly.

If you close your account before dividends are credited, you will not receive the accrued dividends.

For this account, the dividend period is monthly; for example, the beginning and ending dates of the first dividend period of the calendar year is January 1st to January 31st.

All other dividend periods follow the same pattern of dates. The dividend declaration date follows the ending date of a dividend period, and for the example set forth above is the second Wednesday in February.

Calculation Method

For the purpose of calculating dividends on your account, we use the Daily Balance Method. This method applies a daily periodic rate to the principal in the account each day.

**Minimum Balance Requirements
And Transaction Limitations**

You must deposit \$25.00 to open this account.

A minimum balance fee will be imposed every month if the balance in the account falls below the amount disclosed in our Schedule of Fees and charges each month.

You must maintain a minimum balance disclosed in Column A, line 1, 2, 3, 4 or 5 in the account each day to obtain the disclosed annual percentage yield.

We may require you to give written notice of an intended withdrawal not less than 7 days before the withdrawal is to be made. Under applicable law we may extend the notice period for up to 90 days.

You may not make more than 6 preauthorized transfers from a Money Market statement account each month whether to other accounts you maintain with us or to third parties and only 3 of such transfers may be made by check, draft, debit card or other similar items made payable to third parties.

**Additional Transaction Limitations
